

How to work as a Cosmetology Instructor at a community college in California:

REQUIRED - To work at a community college in California as a Cosmetology / Esthetic / Barber instructor:

A.A. / A.S. degree in *any* major + 6 years experience or B.A. / B.S. degree in *any* major + 2 years experience

HIGHLY DESIRED - To work at a community college in California as a Cosmetology / Esthetic / Barber instructor:

600 clock hour Instructor Training Course

Fullerton College Cosmetology Department offers a 600 clock hour Instructor Training Course as five sections to complete in either two to five semesters: COSM 060 F, 060LF, 061LF, 062 F, & 062LF. Detailed information regarding the program including a unique Pivot Point Instruction course to give licensed professional additional training can be found on department website. COSM 061AF is not part of the 600 clock hour training.

All of this information is on the Cosmetology department website: <https://cosmetology.fullcoll.edu>

Marcu Wade, program coordinator has a personal class website:
