

Los Angeles Paralegal Association

Student Benefits

LAPA welcomes and encourages students currently enrolled in paralegal programs to take advantage of the benefits LAPA has to offer. Students should be aware of the below requirements for California paralegals as stated in California Business & Professions Code 6450.

For students just getting started in their paralegal career, we understand the challenges you face in getting that first job. Below is a listing of internship and pro bono opportunities that welcome paralegal students which can possibly assist you with obtaining great experience. This webpage will be updated to include more student internship and pro bono opportunities on a quarterly basis. Additionally, below is a link that will connect you with LAPA's "Career Center" webpage where you can post your resume, visit LAPA's "Student Lounge", have access to legal articles, a national Q&A forum and much more!
