COSMETOLOGY

Cosmetic treatment of Hair, Skin, and Nails

- **Hair:** Hair cutting, permanent waving and chemical straightening, hair coloring and bleaching, and hairstyling
- **Skin:** Facials, temporary hair removal (tweezing & waxing), and makeup
- **Nails:** Manicures, pedicures, and artificial nails (tips, wraps, & acrylic)
- **All include:** Health and safety, disinfection and sanitation, anatomy and physiology, chemistry, electricity, professional image, salon business, and people skills

Cosmetologist – person licensed to provide cosmetic treatments

JOB OUTLOOK AND EARNING

Employment is projected to grow 8% from 2018 to 2028

- Faster than the average for all occupations at 5%
- Overall job opportunities are expected to be good
- Job openings will stem from the need to replace workers who transfer to other occupations, retire, or leave the occupation
- Expect strong competition for jobs and clients at higher paying salons

California annual wages \$23,620 to \$46,980

- Does not reflect all income for cosmetologists, actual earnings may not be reported for self-employed cosmetologists
- 44% self-employed cosmetologists
- High quality work and customer service usually contribute to greater tip totals

U.S. BUREAU OF LABOR STATISTICS

IMPORTANT QUALITIES *For Success*

Creativity. Must keep up with the latest trends and be ready to try new hairstyles for clients.

Customer-service skills. Must be pleasant, friendly, and able to interact with customers in order to retain clients.

Listening skills. Be a good listener, listen carefully to what the clients want in order to make sure that the client is happy with the result.

Physical stamina. Must be able to stand on your feet for long periods of time.

Tidiness. Must keep a neat personal appearance and keep work area clean and sanitary so clients feel safe and comfortable enough so that they want to return.

Time-management skills. Need to manage time efficiently when scheduling appointments and providing services, clients who receive timely hair care are more likely to return.

U.S. BUREAU OF LABOR STATISTICS

Research shows that opportunity to succeed will come from:

- 15% Technical Skills learned
- 85% People and Communication Skills developed
