TOPICS TO DISCUSS WITH A COUNSELOR

- Withdrawals: Should I withdraw from a course? What are the implications of a “W” on my transcript?
- Good Standing: Are you in good standing or probation status?
- Other College Transcripts: How do I know what courses at Fullerton College are comparable to what I took elsewhere? How do I get credit for courses completed at other colleges/universities?
- Coursework: What courses do I need to complete to meet my goal? How and where do I apply for a certificate or an AA/AS/AA-T (transfer)/AS-T (transfer) degree?
- Major: How can I get help choosing a major and/or career? How can I find out which schools have my major or the requirements for that major?
- Transfer: How do I figure out where I can transfer? What are the differences between the CSU/UC/Private colleges/universities/out-of-state universities? What are the deadlines to apply?
