COSMETOLOGY

Cosmetic treatment of Hair, Skin, and Nails

- **Hair:** Hair cutting and hairstyling, hair coloring and bleaching ,permanent waving and chemical straightening,
- **Skin:** Facials, temporary hair removal (tweezing & waxing), and makeup
- **Nails:** Manicures, pedicures, and artificial nails (tips, wraps, & acrylic)
- **All include:** Health and safety, disinfection and sanitation, anatomy and physiology, chemistry, electricity, professional image, salon business, and people skills

Cosmetologist – person licensed to provide cosmetic treatments

JOB OUTLOOK *and* **EARNING**

Employment is projected to grow 8% from 2018 to 2028

- Faster than the average for all occupations at 5%
- Overall job opportunities are expected to be good
- Job openings will stem from the need to replace workers who transfer to other occupations, retire, or leave the occupation
- Expect strong competition for jobs and clients at higher paying salons

California annual wages \$23,620 to \$46,980

- Does not reflect all income for cosmetologists, actual earnings may not be reported for self-employed cosmetologists
- 44% self-employed cosmetologists
- High quality work and customer service usually contribute to greater tip totals

U.S. BUREAU OF LABOR STATISTICS

IMPORTANT QUALITIES *For Success*

Creativity. Must keep up with the latest trends and be ready to try new hairstyles for clients.

Customer-service skills. Must be pleasant, friendly, and able to interact with customers in order to retain clients.

Listening skills. Be a good listener, listen carefully to what the clients want in order to make sure that the client is happy with the result.

Physical stamina. Must be able to stand on your feet for long periods of time.

Tidiness. Must keep a neat personal appearance and keep work area clean and sanitary so clients feel safe and comfortable enough so that they want to return.

Time-management skills. Need to manage time efficiently when scheduling appointments and providing services, clients who receive timely hair care are more likely to return.

U.S. BUREAU OF LABOR STATISTICS

Research shows that opportunity to succeed will come from:

- 15% Technical Skills learned
- 85% People and Communication Skills developed

Senate Bill (SB) 803

SB 803 effective January 1, 2022

Two major changes:

1. Reduces the cosmetology and barbering programs to 1,000 hours (from 1,600 Cosmetology and 1,500 Barbering respectively).
2. Removes the practical examination and therefore eliminates the pre-application process.

NOTIFICATION:

Fullerton College will continue the approved 1,600 hour program until a new 1,000 program is approved, the approval process may take significant time.

Fullerton College will issue a proof of training endorsement upon successful completion of the current 1,600 hour program per State Board rule.

COSMETOLOGY PROGRAM

Curriculum

The Cosmetology Program is designed to engage the learner in meaningful learning

There are **two important educational foundations** that we strive to achieve in our curriculum:

- 1. Prepare students for the state licensure examination**
- 2. Train students with professional entry level skills and knowledge for careers in the salon industry**
