

Automotive Technology
Course Number and Title Change Effective Fall 2024

Notes	Old Course Number	Old Course Title	New Course Number	New Course Title
course number change	AUTO 131	Automotive Fundamentals	AUTO 100	Automotive Fundamentals
course number change and course title change	AUTO 81 (offered in Fall Semester)	Engine Rebuilding and Repair	AUTO 110 (offered in Fall Semester)	Automotive Engine Rebuilding
course number change and course title change	AUTO 70 (offered in Spring Semester)	Engine Reconditioning	AUTO 111 (offered in Spring Semester)	Automotive Engine Repair
course number change and course title change	AUTO 91 (offered in Fall Semester)	Cylinder Head Repair	AUTO 112 (offered in Fall Semester)	Automotive Cylinder Head Repair
course number change	AUTO 86	Automatic Transmission Fundamentals	AUTO 120	Automatic Transmission Fundamentals
course number change	AUTO 84 (offered in Fall Semester)	Automatic Transmissions	AUTO 121 (offered in Fall Semester)	Automatic Transmissions
course number change	AUTO 60 (offered in Spring Semester)	Automotive Powertrains	AUTO 130 (offered in Spring Semester)	Automotive Powertrains
course number change and course title change	AUTO 83	Brake and Suspension Systems Repair	AUTO 140	Automotive Suspension and Wheel Alignment
course number change and course title change	AUTO 73	Brake Systems Repair	AUTO 150	Automotive Brake Systems
course number change	AUTO 65	Automotive Electrical and Electronic Systems	AUTO 160	Automotive Electrical and Electronic Systems
course number change and course title change	AUTO 89 (offered in Spring Semester)	Automotive Air Conditioning	AUTO 170 (offered in Spring Semester)	Automotive Heating and Air Conditioning

Automotive Technology
Course Number and Title Change Effective Fall 2024

course number change and course title change (spelling change)	AUTO 82	Automotive Engine Performance and Driveability	AUTO 180	Automotive Engine Performance and Drivability
course number change and course title change	AUTO 88 (offered in Fall Semester)	Fuel Systems and Advanced Drivability Diagnosis	AUTO 181 (offered in Fall Semester)	Automotive Fuel Systems and Advanced Drivability Diagnosis
course number change and course title change	AUTO 90 (offered in Spring Semester)	Emission Control Systems and Advanced Diagnosis	AUTO 182 (offered in Spring Semester)	Automotive Emission Control Systems and Advanced Diagnosis
course number change	AUTO 50 (offered in Spring Semester)	Automotive Specialty Practice	AUTO 195 (offered in Spring Semester)	Automotive Specialty Practice
course number change and course title change	AUTO 51 (offered in Spring Semester)	Internship in Automotive	AUTO 196 (offered in Spring Semester)	Automotive Internship
course number change and course title change and unit change	AUTO 55 (offered in Spring Semester)	Automotive Business Management	AUTO 197 (offered in Spring Semester)	Automotive Service Management
