Instructional Techniques Program - Course Descriptions

The Instructional Techniques Program currently requires 600 clock-hours of instruction and is comprised of five courses total to prepare licensed professionals for their future teaching position. At the completion of all 5 courses in Instructional Techniques at Fullerton College, with a minimum grade of "C" or higher in each course, you have accumulated units at the community college that can be used toward earning an Associate in Science Degree in Cosmetology Instructor.

COSM 060 F (3 Units): Instructional Techniques in Cosmetology/Barbering/Esthetician

Advisory: Concurrent enrollment in COSM 060LF.

This course is designed for licensed Cosmetologist/Barber/Esthetician who intend to teach in the post-secondary or private sector Cosmetology/Barbering/Esthetician schools. Pivot Point Member School. Pivot Point instructional aids, instructor kit and books, with an approximate cost of \$850 are required.

*Scheduled Lecture: Monday *Check Fall / Spring Schedule for availability and meeting times*

COSM 060LF (3 Units): Instructional Techniques in Cosmetology/Barbering/Esthetician Laboratory

Advisory: Concurrent enrollment in COSM 060 F.

This course is designed to provide licensed cosmetologist/barber/esthetician with the opportunity to complete 600 required hours of laboratory observation as a student-instructor. Pivot Point Member School.

*Scheduled Laboratory: Monday & Tuesday *Check Fall / Spring Schedule for availability and meeting times*

COSM 061LF (2 Units): Intermediate Instructional Techniques in Cosmetology/Barbering/Esthetician Laboratory

Prerequisite: COSM 060LF with a grade of C or better

Advisory: Concurrent enrollment in COSM 062 F.

This intermediate course is designed to provide licensed cosmetologist/barber/esthetician with the opportunity to complete 600 required hours of laboratory observation as a student-instructor. Pivot Point Member School.

*Scheduled Laboratory: *Check Fall / Spring / Summer Schedule for availability and meeting times*

COSM 062 F (3 Units): Advanced Instructional Techniques in Cosmetology/Barbering/Esthetician

Prerequisite: COSM 060 F with a grade of C or better

Advisory: Concurrent enrollment in COSM 061LF and/or COSM 062LF.

This course is designed to teach licensed Cosmetologist/Barber/Esthetician advanced instructional techniques. Pivot Point Member School.

*Scheduled Lecture: Monday *Check Fall / Spring Schedule for availability and meeting times*

COSM 062LF (3 Units): Advanced Instructional Techniques in Cosmetology/Barbering/Esthetician Laboratory

Prerequisite: COSM 060LF with a grade of C or better

Advisory: Concurrent enrollment in COSM 062 F.

This advanced course is designed to provide licensed cosmetologist/barber/esthetician with the opportunity to complete 600 required hours of laboratory observation as a student-instructor. Pivot Point Member School.

*Scheduled Laboratory: Monday & Tuesday *Check Fall / Spring Schedule for availability and meeting times*
